- Trade services available

EVOBUILTTOLAST

The team behind Evo really understand kitchens. We appreciate your kitchen not only needs to look great, but to pass the trade test they need to be great quality and easy to install too. Evo Kitchens are loved by installers and customers alike.

I am a kitchen fitter, and I have now fitted a number of your kitchens and love your product. I've been in the trade for over 35 years and have therefore fitted most of your competitors products, and yours are the best

EVOKITCHENS

Evo kitchens do not compromise on quality and value. Using the very best in manufacturing techniques we are able to create a beautiful mix of colour, size and finish.

We offer choices of drawer boxes, hinges and handles too, this way you can tailor your Evo Kitchen to your taste and budget.

EVODOVEGREYGLOSS

In a beautiful lacquered finish, Evo Dove Grey Gloss represents the best of European design and quality. Using our concrete effect Solutions shelving and worktops adds interest and texture to your kitchen.

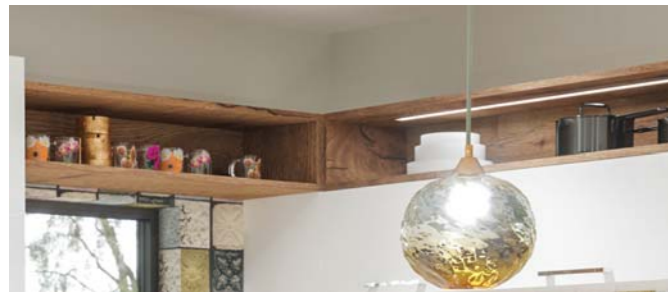

EVOGLOSSCREAM

A classical warm tone, the lacquered finish of Evo Gloss Cream is a popular choice. Again blended with Evo Solutions shelving and worktops, the finish is rich and contemporary.

Solutions panels allow installers to fabricate accent shelving - see page 14 for details

EVOWHITEGLOSS

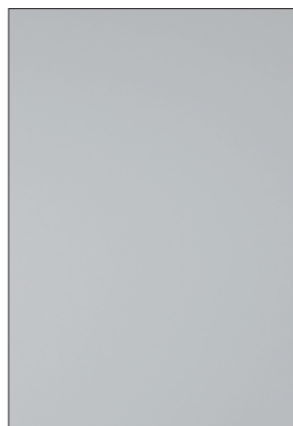

Evo White Gloss is a long standing winner. The third lacquered door in the Evo Collection, it creates a fresh feel, easily mixed with other colours and finishes to find your own bespoke look. Again shown with Solutions worktops and shelving for a European and bespoke appearance.

EVOMATTDOVEGREY

European styling in an on-trend matt grey that will create a stunning, modern kitchen. This practical, flat door offers a designer look that's also easy to keep clean.

EVODRIFTWOOD

An attractive horizontal woodgrain effect slab door that looks equally stylish as a full kitchen, or paired with our Evo gloss kitchens as an accent colour.

EVOCREAMSHAKER

A timeless shaker door in a soft, cream colour – choose from our wide range of handles to dress as traditional or more modern in style.

EVOOAKSHAKER

This five piece oak effect shaker door offers a great value alternative to a solid timber kitchen. Create a modern or traditional look by choosing from our extensive selection of handles and worktops.

EVO SOLUTIONS WORKTOPS & PANELS

Whatever your chosen Evo Kitchen style, you won't ever be stuck for choice with our premium square edged range of laminate worktops. Our authentic woodgrain effect Solutions worktops are available in four natural colours and include upstands and panels to create open shelving and splashbacks.

Installers love our cabinets and we believe they're the best out there!

All panels are fully PVC edged to protect against moisture penetration

Adjustable service void offers flexibility when accommodating pipework 45-70mm

Concealed wall hanging bracket creates a clean look and offers a 15mm wiring void

Removable back panel in base units - a simple yet easy way to aid installation and service access

Robust adjustable legs protect against moisture ingress and is an easy way of making the cabinet level

All 18mm thick high density panels in base cabinet means no weak points - they're extra sturdy!

Minimum holes in side panels for a clean, high end appearance

330mm deep wall cabinets as standard give ample storage and will fit a 12 inch dinner plate

EVOHINGEOPTIONS

Our hinges are manufactured in Salice's state-of-the-art factory in Italy to the highest quality standards. Cabinets come with non-soft close hinges as standard, with a soft close option available as an upgrade.

Standard

Soft Close
